HEAR FROM OUR CLIENTS

*Ela Builders have always been a key partner in delivering R&M and building solutions for our BSP Branches in Madang and Wewak. **They are responsive and committed to our needs.** They consistently deliver on projects and we look forward to working with them into the future.*

BARRY NAMONGO
Bank South Pacific (BSP)

*I've used Ela Builders for many years whether it's been for small to large residential jobs to commercial jobs. **I've not ever been told we can't do this.** The team at Ela have always been eager to complete the jobs to the accepted price and most importantly to the expected level of quality. Any future jobs I have, I won't hesitate to call on them. For the customers' benefit, they are price conscious and back their work with quality assurance.*

*The Building that now stands at the Mildas Plaza is testament to **Ela Builders' capacity to construct a project during one of the most difficult times in our country's history.** The arrival of COVID-19 in PNG stalled multiple projects throughout the country. However even with all these new challenges, Ela Builder's adapted and work progressed on the Mildas Plaza. I would not hesitate to recommend Ela Builder's for future work be it residential, industrial or commercial in nature.*

HEAR FROM OUR CLIENTS

*I have had the pleasure of working with Ela Builders on numerous projects, large and small, over the last decade. What sets them apart from other builders? **Their willingness to meet the customers' needs and go the extra mile for them.** No construction process is without its challenges and stress levels can be high. Dhawal's diligence, open communication and readiness to rectify make all the difference—allowing me to focus on my work and giving me peace of mind.*
